20 AGENTS | 508 PORTS | 33'467 PORT CALLS | 133 OFFICES | 1,202 PEOPLE

We understand how stressful and costly delays and mistakes can be

One, seemingly small matter, can generate serious consequences. That is why we **solve problems before they have even happened** and work with some of the best local agents in the world.

Are you tired of speaking with multiple points of contact and having to make sense of communications in poor English? Of agents and ships agencies taking your business, but not going the extra mile to reduce, and even prevent, costly delays and errors?

We know how frustrating and expensive that can be.

We created MasOceans and partnered with proven, local agents to make this a thing of the past.

THREE STEPS TO SMOOTH SAILING

ONE.

One point of contact, speaking your language, ensuring correct follow-up by experts across the maritime industry

LOCAL.

A team local to you in Switzerland and to your vessel in the country of its port call, leveraging their knowledge and network for smooth coordination

AHEAD.

Our team is always two steps ahead, so you can focus on your other priorities knowing your port needs are handled with care and precision

OFFICES – Able to cover over 90% of all Brazilian agribusiness exports and imports

600

PORT CALLS – By creating value through continuous improvement of expertise

SMOOTH PORT CALLS WITH ALPHAMAR MARITIME AGENCY

Shipping

Fully independent company, focused on the dry bulk market, they also attend tankers and mineral cargoes, such as coal and iron ore derivatives.

Reporting & forecasting technology

Developed Alphatrack and Alphavision, two logistical study tools, to better visualisation through Google Earth and of images captured by drones of high resolution, plus an app and platform giving forecasts of arrival, berthing and departure.

Market information

Robust database of exports and imports of the Brazilian agribusiness, capable of generating daily reports and generating bespoke reports for specific customer needs.

Alphamar brings together technology and expertise to attend all commodities within the territory of Brazil.
